**namagi - eel style (broiled in kabayaki) Idaho catfish; our sustainable, local and delicious alternative to unagi*

– Sushi –

As part of our Green Restaurant Certification, we strive to offer the most sustainable seafood and refuse to serve any endangered species. We are happy to now offer a sustainable alternative to unagi (freshwater eel). Idaho catfish is sustainably farmed and we prepare it traditionally by broiling in kabayaki sauce, our “namagi” (Japanese for catfish “namazu” + “unagi”) is sustainable, local and delicious.
